

Earthquake Kit Order Form

Dear Haynes Families,

This year we would like to start early in preparing for an unfortunate situation such as an earthquake or a lockdown. As you know, planning and preparing for an unexpected event will make it less traumatic for students and staff.

We are hoping to supply each class with the following:

- 1) hard candy and granola bars (not chewy)
- 2) one tote-a-potty
- 3) earthquake kits for each student to be purchased by parents (5 year shelf life)
